A funeral service is a ceremony which has great importance and value while allowing family and friends to express love, sorrow and respect for the deceased. It is the first step to living through grief and emotional needs.

These services can be arranged at time of need or in advance and are always planned to meet specific and meaningful needs.

Should you have any questions, please do not hesitate to call upon us at any time as we are available 24 hours a day.
Welcome to Heritage Funeral Complex
Located in the heart of Orléans, we provide your family with a convenient location and modern amenities to meet your needs.
Q: Funerals For The Living… Why?
A: MOST CERTAINLY! Funerals play an important role in the grieving process.

A funeral is the first significant step in recognizing and accepting death while helping the family begin to adjust to the reality of life without a loved one. A funeral helps survivors share the burden of their grief with those close to them, thereby allowing them to accept the reality of their loss.

An old saying tells us that caring for the departed is the highest form of kindness, because it can never be repaid.

Arranging a funeral consists of two stages. First, you work with our professional funeral directors to explore the available options.

The service may be a small, traditional ceremony or a creative expression that befits the life of the person honored. Today, many families plan funerals that reflect the contributions and accomplishments of the deceased. Creating a touching personal tribute can be a meaningful gift of love.

Part of the planning is deciding on the final resting place. Some choose a cemetery plot or a mausoleum, while others may choose cremation.

With the help of our professional funeral directors, you can create a funeral that will be a personal and dignified tribute.

Since the dawn of humanity, people have created funeral rites to bid farewell to the departed. To show respect for the deceased through a dignified ceremony is a powerful human impulse. Mourners bring many emotions—thanks, requests for forgiveness, grief and love. The funeral is an opportunity to express these feelings and make peace with the memory of the deceased.

A funeral helps us come to grips with our grief, so our lives can once again be productive and fulfilling.

Pre-Arranging… Why?

In order to minimize the burden on their family, many people wish to pre-plan their funeral and pay for as many services as possible in advance. This is known as pre-arranging.

When pre-arranging, not only do you choose the type of services… but the costs are also your decision. By pre-arranging and choosing what’s right for you, you eliminate the worry and uncertainty for survivors concerning your final wishes. Pre-arranging often spares the family from difficult decisions at a stressful and emotional time. Knowing you’ve done everything possible today, to make it easier for them in the future, will bring you peace of mind.

Pre-Arranging With Heritage

At Heritage Funeral Complex, our pre-arrangement director specializes in pre-arrangements. With years of experience as a funeral director, our director of pre-need services is available to help you and your family through the many steps and discuss all available options.

To receive additional information or to meet with us regarding your pre-arrangement, please feel free to call us at (613) 830-2305.

Pre-Arranged Funeral Elsewhere?

Did you know that pre-arranged funerals may be transferred from any funeral home to Heritage Funeral Complex. If you, or someone you know would like to do so, please contact us for further assistance. Heritage Funeral Complex will credit your account for any administration fee that may be deducted by the original funeral home.
Pre-Arrangement Plans

At Heritage Funeral Complex there are three types of Pre-arrangement Plans.

Guaranteed Prepaid Contract & Guaranteed Time Payment Contract

These two Pre-arrangement plans consist of a single payment (1) in full or monthly payments (2), which are deposited in accordance with provincial regulations, for the services, merchandise and cash disbursements selected. Payment is made at the time of the pre-arrangement conference.

When a contract is prepaid, we will guarantee that the cost of the contracted services will not exceed the total amount prepaid, including initial payment and interest. All interest earned is tax sheltered.

At the time of need, additions or alterations to these selected services by the beneficiary’s family or legal representative would be the responsibility of the estate at the prevailing cost.

All Prepaid Contracts may be cancelled at anytime. The funds, including interest earned, would be returned to the purchaser. A cancellation fee would be applicable in accordance with provincial regulations; a T-5 slip would be issued for the interest earned. If an insurance funded or annuity funded prepaid plan was selected, the cash value at cancellation is outlined in the Insurance policy.

Immediate Need (a death has occurred) Payment Options: Payment may be made by Interac E-transfer, cheque, debit, by Visa or Mastercard ($2000.00 maximum).

Unless otherwise specified, payment is due within 30 days of signing the contract. Beyond the allotted time, interest will be charged at a rate of 2% per month which is equivalent to 26.82% per annum. Annual % rate applies on the unpaid balance until fully paid. Any costs incurred by Heritage Funeral Complex for late or deficient payments or incurred through collection will be charged to the Purchaser. A fee of $20.00 will be charged on all payments not honoured by the financial institution.

Pre-planning arrangements Payment Options: Payment may be made by cheque only.

Payment in full or monthly payment plans are available. Interest may apply depending on length of payment schedule. A fee of $20.00 will be charged on all payments not honoured by the financial institution.

Funding: For your convenience, we offer two funding options when prepaying services or supplies.

In trust: You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.

Insurance: You may purchase a life insurance or annuity policy/plan where the proceeds of the policy/plan will be used to pay for the services or supplies at the time they are delivered or the contract is cancelled.
